

**§ 143B-426.14. Issuance of bonds.**

As a means of raising the funds needed from time to time in the acquisition, construction, equipment, maintenance and operation of any facility, building, structure, telecommunications equipment or systems or any other matter or thing which the Agency is herein authorized to acquire, construct, equip, maintain, or operate, the Agency may at one time or from time to time issue negotiable revenue bonds of the Agency. The principal and interest of the revenue bonds shall be payable solely from the revenues to be derived from the operation of all or any part of the Agency's properties and facilities. A pledge of the net revenues derived from the operation of specified properties and facilities of the Agency may be made to secure the payment of the bonds as they mature. Revenue bonds issued under the provisions of this Part shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State. The issuance of revenue bonds shall not directly or indirectly or contingently obligate the State to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. The bonds and the income therefrom shall be exempt from all taxation within the State. (1979, c. 900, s. 1; 2006-203, s. 108.)
